## **Independent Auditors' Report**

The Board of Directors of  
Sunnyside Citywide Home Care Services, Inc.  
New York, NY

### ***Opinion***

We have audited the financial statements of Sunnyside Citywide Home Care Services, Inc. ("Citywide"), which comprise the statements of financial position as of June 30, 2025 and 2024, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Citywide as of June 30, 2025 and 2024, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Citywide and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Citywide's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Citywide's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Citywide's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

**SUNNYSIDE CITYWIDE HOME CARE SERVICES, INC.  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2025 AND 2024**

**NOTE 1 – ORGANIZATION AND NATURE OF ACTIVITIES**

Sunnyside Citywide Home Care Services, Inc. (“Citywide”) is a not-for-profit licensed home care service agency that was established to provide personal care services to the elderly and disabled persons who require such services in order to maintain themselves safely at home. Citywide is funded primarily by managed care revenues.

The agency is a not-for-profit organization exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code.

The accompanying financial statements were prepared to present the financial position, changes in net assets and cash flows of only Citywide and do not include the financial position, changes in net assets and cash flows of its related organizations: Sunnyside Community Services, Inc. (“Sunnyside”), Sunnyside Home Care Project, Inc. (“Home Care”) and Sunnyside CDPAP, Inc. (“CDPAP”). Effective January 1, 2019, Citywide began transferring clients to Home Care. All managed care clients were transferred as of March 1, 2020.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

- A. **Basis of accounting** - The accompanying financial statements of Citywide have been prepared on the accrual basis of accounting. Citywide adheres to accounting principles generally accepted in the United States of America (“U.S. GAAP”).
- B. **Basis of presentation** - Citywide maintains its net assets under the following two classes:
- a. Net assets without donor restrictions – includes funds having no restriction as to use or purpose imposed by donors. It represents resources available for support of Citywide’s operations over which the Board of Directors has discretionary control.
  - b. Net assets with donor restrictions – represents assets that are subject to donor-imposed stipulations. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. There were no net assets with donor restrictions as of June 30, 2025 and 2024.
- C. **Government grants receivable** - Government grants receivable are recorded for expenditures made in accordance with grant agreements.
- D. **Allowance for credit losses** - Citywide determines whether an allowance for credit losses should be provided for accounts receivable. Such estimates are based on management’s assessment of the aged basis of its receivables, current economic conditions, subsequent receipts and historical information. Receivables are written off against the allowance for credit losses when all reasonable collection efforts have been exhausted. Citywide has adopted Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 326, *Financial Instruments – Credit Losses*, in its financial statements for the year ended June 30, 2024. Management anticipates that the historic loss rates will be consistent during the next fiscal year and concluded that no adjustments to their methodology or inputs are required.

Citywide calculated the allowance for credit losses for accounts receivable as follows as of June 30:

	2025	2024
Balance, beginning of year	\$ 81,415	\$ 81,415
Credit losses expenses for the period	70,000	-
Write-offs during period	(43,191)	-
Balance, end of year	\$ 108,224	\$ 81,415

**SUNNYSIDE CITYWIDE HOME CARE SERVICES, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2025 AND 2024**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

- E. **Investments** - Investments are stated at fair value. Fair value measurements are based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In order to increase consistency and comparability in fair value measurements, a fair value hierarchy prioritizes observable and unobservable inputs used to measure fair value into three levels as described in Note 5.
- F. **Property and equipment** - Property and equipment and leasehold improvements are recorded at cost. Items with a cost of \$1,000 and estimated useful life of greater than one year are capitalized. Property and equipment are depreciated on the straight-line method over their estimated useful lives. Amortization of leasehold improvements is recorded on the straight-line method over the term of the lease or the life of the asset, whichever is shorter.
- G. **Contract and managed care revenues** - Revenues from care of patients are reported at the estimated net realizable amounts from patients, third-party payors and others from services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payors. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and adjusted in future periods as final settlements are determined. Laws and regulations governing health care programs are extremely complex and subject to interpretation. As a result, there is at least a reasonable possibility that recorded estimates may change by a material amount in the near term.

Citywide bills third-party payors after the services are performed or after it has completed its portion of the contract. Receivables are due in full when billed and revenue is recognized as performance obligations are satisfied. Performance obligations are determined based on the nature of the services provided by Citywide in accordance with the contract. Revenue for performance obligations satisfied over time is recognized as the services are provided. This method depicts the transfer of services over the term of the performance obligation based on the inputs needed to satisfy the obligation. Citywide measures the performance obligation from the beginning of the next month or day to the point when it is no longer required to provide services under the contract or has met the requirements to bill for the services provided, which is generally at the end of each month or period of time allowed based on the stipulations.

All performance obligations relate to contracts with a duration of less than one year, therefore, there are no performance obligations or contract balances that are unsatisfied as of June 30, 2025 and 2024. The performance obligations for these contracts are completed when the service is completed and upon submission of required documentation. Citywide determines the transaction price based on established rates or contracts for services provided.

- H. **Contributions** - Unconditional contributions, including promises to give cash and other assets, are reported at fair value at the date the contribution is received. The gifts are reported as with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified as net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. There were no net assets released from restrictions during the years ended June 30, 2025 and 2024.
- I. **Noncash contributions in-kind** - Noncash contributions are recognized in the financial statements if the services enhance or create nonfinancial assets or require specialized skills, are provided by individuals possessing those skills and would typically need to be purchased, if not provided by donation. Citywide did not receive any noncash contributions for either of the years ended June 30, 2025 and 2024.
- J. **Functional allocation of expenses** - The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

**SUNNYSIDE CITYWIDE HOME CARE SERVICES, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2025 AND 2024**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

The accompanying financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include occupancy, insurance, depreciation and amortization which are allocated on a square footage basis, as well as salaries and wages, benefits and payroll taxes which are allocated on the basis of estimates of time and effort spent, consultants, computer services, supplies and all other expenses which are allocated on the basis of full time equivalent.

- K. **Use of estimates** - The preparation of the financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures at the date of the financial statements. Actual amounts could differ from those estimates.

**NOTE 3 – LIQUIDITY AND AVAILABILITY OF RESOURCES**

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statements of financial position date, comprise the following:

	2025	2024
Cash	\$ 59,646	\$ 13,872
Accounts receivable, net	113,272	215,341
Investments	5,478,076	4,909,153
	\$ 5,650,994	\$ 5,138,366

Citywide regularly monitors liquidity required to meet its operating needs while also striving to maximize the investment of its available funds. This is done by comparing, on a weekly basis, funds available to actual expenses to be paid. Citywide also strives to collect receivables on a timely basis from all types of debtors.

As part of Citywide’s liquidity management plan, Citywide invests cash in excess of daily requirements in short-term investments such as stocks and mutual funds.

For purposes of analyzing resources available to meet general expenditures over a 12-month period, Citywide considers all expenditures related to its ongoing activities of its programs as well as the conduct of services undertaken to support those activities to be general expenditures. Donor restricted funds for various programs are considered available for the general expenditures to conduct those programs.

**NOTE 4 – ACCOUNTS RECEIVABLE, NET**

Accounts receivable, net consist of the following as of June 30:

	2025	2024
Other private pay insurance	\$ 216,179	\$ 244,656
Other receivables	5,317	52,100
	221,496	296,756
Less: allowance for credit losses	(108,224)	(81,415)
Accounts receivable, net	\$ 113,272	\$ 215,341

**SUNNYSIDE CITYWIDE HOME CARE SERVICES, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2025 AND 2024**

**NOTE 5 – INVESTMENTS AND FAIR VALUE MEASUREMENTS**

Investments consist of the following at June 30, 2025 and 2024 and were classified as Level 1 in the fair value hierarchy (as defined below) as follows:

	<u>2025</u>	<u>2024</u>
Fixed income	\$ 2,135,902	\$ 2,034,978
Equity	<u>3,342,174</u>	<u>2,874,175</u>
 Total Investments	 <u>\$ 5,478,076</u>	 <u>\$ 4,909,153</u>

Investments are subject to market volatility that could change their carrying value in the near term.

Investment return consisted of the following for the years ended June 30:

	<u>2025</u>	<u>2024</u>
Interest and dividends	\$ 148,637	\$ 138,218
Realized loss	(193)	(1,604)
Unrealized gain	<u>450,480</u>	<u>385,957</u>
	598,924	522,571
Less: Investment fees	<u>(30,000)</u>	<u>(30,000)</u>
	<u>\$ 568,924</u>	<u>\$ 492,571</u>

The fair value hierarchy defines three levels as follows:

Level 1: Valuations based on quoted prices (unadjusted) in an active market that are accessible at the measurement date for identical assets or liabilities. The fair value hierarchy gives the highest priority to level 1 inputs. Level 1 valuations are obtained from real-time quotes for transactions in active exchange markets involving identical assets.

Level 2: Valuations based on observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in inactive markets; or model-derived valuations in which all significant inputs are observable or can be derived principally from or corroborated with observable market data.

Level 3: Valuations based on unobservable inputs are used when little or no market data is available. The fair value hierarchy gives lowest priority to Level 3 inputs.

In determining fair value, Citywide utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible in its assessment of fair value. Investments in equity and fixed income are valued using market prices in active markets (Level 1). Level 1 instrument valuations are obtained from real-time quotes in active exchange markets involving identical assets.

**SUNNYSIDE CITYWIDE HOME CARE SERVICES, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2025 AND 2024**

**NOTE 6 – PROPERTY AND EQUIPMENT, NET**

Property and equipment, net consists of the following as of June 30:

	2025	2024	Estimated Useful Lives
Leasehold improvements	\$ 84,574	\$ 84,574	12-15 Years
Furniture and equipment	48,912	48,912	5 Years
	133,486	133,486	
Less: accumulated depreciation and amortization	(108,405)	(102,767)	
Net book value	\$ 25,081	\$ 30,719	

Depreciation and amortization expense amounted to \$5,638 and \$5,639 for the years ended June 30, 2025 and 2024, respectively.

**NOTE 7 – WORKERS’ COMPENSATION ASSESSMENT**

In 1999, Citywide joined the Health Care Providers Self-Insurance Trust (“HCPSIT”), a workers’ compensation group self-insurance trust established to provide Workers’ Compensation coverage and services for providers of social services throughout the State of New York. A forensic audit of the trust was commissioned by the New York State Workers’ Compensation Board (“WCB”). That audit determined that HCPSIT had a cumulative deficit in the amount of \$188,187,893. Based on the deficit, the WCB terminated HCPSIT on or about June 30, 2009 and assumed trust administration and final distribution of the trust’s assets and liabilities. The WCB initiated the process of determining the assessment amount to be levied on each member of the Trust.

On January 15, 2014, the WCB provided Citywide with a settlement agreement of \$1,169,883. The agreement included an option for a one-time lump sum payment with a 5% discount, which would net to a liability of \$1,111,389; an option to pay the full amount over one or two years, interest-free; or the option to pay the full amount over a ten-year period with an interest rate of 3.5%. Citywide accrued the full amount of \$1,169,883 in June of 2013, while deciding on the best option. On June 24, 2014, Citywide elected the option to pay the full amount over the ten-year period incurring annual interest of 3.5% and signed the settlement agreement with WCB. Under the terms of this agreement, Citywide is required to make monthly payments of \$11,568, including interest, beginning in August 2014. As of June 30 2024, workers’ compensation assessment payable amounted to \$9,752. The outstanding balance was repaid as of June 30, 2025.

**NOTE 8 – COMMITMENTS AND CONTINGENCIES**

**A. *Third-Party Contingencies***

Citywide is responsible to report to various third parties, among which are the New York State Department of Health (“DOH”), the New York State Office of Attorney General (“AG”), the Internal Revenue Service (“IRS”), the New York State Department of Charities Registration, the Office of Inspector General and the Office of Medicaid Inspector General (“OMIG”). These and other agencies, including the New York City Human Resources Administration (“HRA”) and the New York City Department for the Aging (“DFTA”), have the right to audit fiscal as well as programmatic compliance, i.e., clinical documentation and physician certifications, among other compliance requirements.

**SUNNYSIDE CITYWIDE HOME CARE SERVICES, INC.  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2025 AND 2024**

**NOTE 8 – COMMITMENTS AND CONTINGENCIES (Continued)**

DOH increased the Medicaid rates to provide funding for recruitment, training and retention of home health aides and/or other personnel with direct patient care responsibility. Home Care and Citywide are required to provide attestations certifying that these funds, if applicable, were paid to home health aides and other personnel with direct patient care responsibilities.

**B. *Income Taxes***

Citywide believes it has no uncertain tax positions as of June 30, 2025 and 2024 in accordance with ASC Topic 740, "Income Taxes," which provides standards for establishing and classifying any tax provisions for uncertain tax positions.

**NOTE 9 – PENSION PLANS**

**Nonunion Pension Plan**

Citywide maintains a 403(b) pension plan that covers all full-time employees not covered by a collective bargaining agreement. On an annual basis, the Board determines a discretionary contribution for employees who are at least 21 years of age and have completed two years of service. Citywide did not make any contribution to this plan for the years ended June 30, 2025 and 2024.

**Union Pension Plan**

All union employees of Citywide are covered by an employer contributory pension plan administered by the union. Union pension expense for the years ended June 30, 2025 and 2024 was \$4,089 and \$3,016, respectively. Citywide did not contribute more than 5% of total contributions to those plans.

The risks of participating in these multiemployer defined benefit pension plans are different from single employer plans because: (a) assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers, (b) if a participating employer stops contributing to the plan, the unfunded obligations of the plan may be required to be borne by the remaining participating employers, and (c) if Citywide chooses to stop participating in one of its multiemployer plans, it may be required to pay a withdrawal liability to the plan.

The following information was obtained from Citywide's union-managed pension plan:

Pension Fund	EIN/ Pension Plan Number	FIP/RP Status Pending/ Implemented	Contributions		Surcharge Imposed	Effective Date of Collective Bargaining Agreement
			2025	2024		
1199 SEIU Home Care Employees Pension Fund	EIN 13-3943904 Plan No. 001	No	\$4,089	\$3,016	No	September 30, 2020

As of the date the financial statements were available to be issued, Form 5500 was available for the plan year ended December 31, 2024 and did not include 2025 plan information. The plan's actuaries have certified that the plan is not endangered, seriously endangered or in critical status, as those terms are defined in the Pension Protection Act of 2006 for the plan year ended December 31, 2024.

**SUNNYSIDE CITYWIDE HOME CARE SERVICES, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2025 AND 2024**

**NOTE 10 – CONCENTRATIONS**

**Credit Risk**

Cash that potentially subjects Citywide to a concentration of credit risk includes cash accounts with banks that exceed the Federal Deposit Insurance Corporation (“FDIC”) insurance limits. Cash accounts are insured up to \$250,000 per depositor per insured financial institution. As of June 30, 2025 and 2024, there was no cash held by any bank that exceeds FDIC limits.

**Revenue**

For the year ended June 30, 2025, 34% of Citywide’s total government and other support were derived from private pay clients. 100% of accounts receivable was due from private clients as of June 30, 2025.

For the year ended June 30, 2024, 35% of Citywide’s total government and other support were derived from private pay clients. 82% of accounts receivable was due from private clients as of June 30, 2024.

**NOTE 11 – RELATED-PARTY TRANSACTIONS**

Citywide is related through common board members to Home Care and Sunnyside. CDPAP is a wholly owned subsidiary of Sunnyside. As of June 30, 2025, Citywide is owed \$2,806,466 from Home Care, \$66,855 from Sunnyside and \$3,786 from CDPAP. As of June 30, 2024, Citywide was owed \$2,814,528 from Home Care, \$69,490 from Sunnyside and \$4,762 from CDPAP. These amounts represent operating expenses advances, are non-interest-bearing and are due on demand.

Sunnyside has a revolving line of credit of \$3 million with a bank as borrower with Home Care and Citywide as guarantors that matured on December 31, 2025. Subsequent to year end, the line was extended for another year and matures on December 31, 2026. Interest on this line is calculated using the Term Secured Overnight Financing Rate (“SOFR”) Daily Floating Rate plus 2.47 percentage points. As of June 30, 2025, there was no outstanding balance on the line. As of January 22, 2026, there is no borrowing under the line.

Sunnyside had two revolving lines of credit of \$2 million and \$1.5 million with a bank as borrower with Home Care and Citywide as guarantors that matured on December 31, 2023 and March 31, 2024, respectively. Neither of the revolving lines of credit were renewed and the outstanding balances from the lines were repaid as of June 30, 2024.

**NOTE 12 – SUBSEQUENT EVENTS**

Management has evaluated, for potential recognition and disclosure, events subsequent to the date of the statement of financial position through January 22, 2026, the date the financial statements were available to be issued.
